Safe, secure and stylish. The Haven is our luxury pool compliant gazebo - perfect to use all year round.

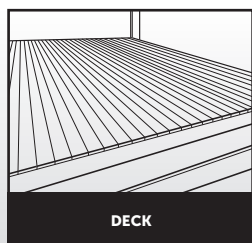

Outdoor gazebos don't get much better than this. Designed with seclusion and privacy in mind, the fully lockable Haven creates a sanctuary in your backyard that's as beautiful as it is secure.

Fully enclosed the Haven is ideal for night time use - keeping you warm and cosy as you enjoy your spa and take in the stars and filtered moonlight through the skylight. It has a modern cascade colorbond steel roof and features stunning red cedar plantation shutters on all sides so you can let the light through... just right.
